Sorry, for the multiple emails everyone but got some questions I figured I should relay to the rest of the group...

The PM OPS calls are cancelled too. I haven't see a call in number from the field for their OPS calls nor have I heard when/how they're running them. BUT, if/when I get this information I'll

share it with you. Thanks, Gina

Folks, just wanted to be sure you all were aware – the AM OPS calls that were being coordinated by the EOC in Denver have been cancelled. This ICS/planning function is being run by the Incident Management Team in Durango. I deleted the recurring invite earlier but just wanted to be sure you all knew. Thanks!
